***) Lectures of all studies can be visited during your stay. But it is necessary to register for one of these study programmes. General information about lectures you can find on the HdM website <http://www.hdm-stuttgart.de/studienangebot/studienfuehrer/vorlesungsverzeichnis> and on the website of the international office <http://www.hdm-stuttgart.de/hochschule/einrichtungen/aaa>. We are working on a description in English. Please note that the lectures held in English are also described in English in the university calendar.

It is known to me that the temporary studies do not allow me to graduate at the Hochschule der Medien in Stuttgart. In case I intend to enrol at the university for a complete study programme the time of my exchange programme will be added. As an exchange student I'm aware of the fact that I'm not allowed to take part at elections or be elected.

I affirm the correctness of the given data.
