

Support for Visiting Staff by HdM Buddy

During their stay at HdM, visiting staff can be additionally supported by a current HdM student. HdM Buddies can help visiting staff to integrate into HdM and Stuttgart. Our wonderful Buddies will share their local knowledge and accompany visiting staff to various offices. HdM Buddies and the HdM International Office closely work together making sure visiting staff will have a smooth start at HdM and enjoy their stay with us. These are some things HdM Buddies can help visiting staff with:

- (if possible) Meet & Greet on your arrival
- Finding your way around at HdM and in/around Stuttgart
- Registering with the City of Stuttgart
- (if applicable) Opening a German bank account
- (if applicable) Visiting the Stuttgart City Immigration Office if you need to extend your visa/residence permit
- Arranging for your ticket for the Stuttgart public transport network VVS
- Going to HdM or social events with you
- Supporting you throughout the semester with any other questions you might have
- Helping with German language

Let's create some #HDMemories together!
