Adopt a Student!

*Open access to IFLA –
open a door to IFLA’s
network!*

*IFLA – The Global Voice of Library
and Information Services*

THE PROJECT

1. The goal: To draw Library and Information Science (LIS) students' attention to IFLA through sponsoring a 1 year free IFLA student membership.

2. The idea: Private and/or company sponsors play the role of LIS students' mentors through taking over the fee for a 1 year student IFLA membership.

FOR COMPANY/PRIVATE SPONSORS

Adopt a Student! Open a door to IFLA! Become a Sponsor – Become a Mentor – Become a Friend!

HOW TO JOIN?

From our database, find a LIS student from any country who is interested in IFLA issues.

Make contact with your student to open the door to IFLA for him or her! Stay in touch!

- Take over the one-year IFLA student membership fee (57 €).
- Encourage him/her to take part in IFLA activities, e.g. to apply for the IFLA LIS Student Paper Award, to serve as a conference volunteer, to follow IFLA Section's activities and to take part in discussions through suggestions.
- Please fill in the application form on reverse with your details and send it via email or by fax to the contact address provided.

Thanks to IFLA's Network ...

... I was encouraged and advised to present a Poster about a book project on multicultural library services at the World Library and Information Congress in Quebec, Canada, 2008.

... as a German LIS student I got the chance to study at an Italian University and to add an international Master Degree.

... as an Arabic LIS student I got the opportunity to present my research project at the IFLA Conference Poster Session in Milan, Italy, 2009.

... I was invited to an internship at the Library of Congress, Washington D.C.

... I got publisher's experience through volunteering for the "IFLA Express" in Milan, Italy, 2009.

... we have been invited to write an article for an LIS Journal about the theme of our poster, presented at the IFLA conference in Milan, Italy, 2009.

... I won the 1st IFLA LIS Student Paper Award and could because of that attend the IFLA Conference 2009 in Milan, Italy.

FOR LIS STUDENTS

Find a door to IFLA!

Win a Sponsor – Win a Mentor – Win a Friend!

HOW TO JOIN?

Fill in the application form on reverse with your details, add a letter of recommendation from your LIS professor, send both via email or by fax to the contact address provided.

We will find a sponsor for you who will contact you soon! He/she will get and stay in contact with you and open for you the door to IFLA:

Benefits of membership are:

- 1 year free subscription IFLA Journal.
- Be informed about current research and developments in the field of LIS and in the world of libraries.
- Keep up to date with the latest trends in the field and future expectations.
- Have the opportunity to directly contact library professionals and experts, to exchange experiences and to broaden your horizons.
- Participation in the work of the Sections gives members and affiliates the benefit of sharing specialised expertise.
- 1 free Section registration is included with the IFLA membership, e.g. Section 23 "Education & Training".
- Remark: Neither IFLA membership nor participation in the "Adopt a Student!" program includes any expenses incurred in attending the IFLA conference.
