HITODAMA

Summary

A solo player exploration adventure game on PC where a witchy cat tries to regain their human form by aiding NPCs with their worries. (Atmosphere, Dialogue and Story focused)

Exploration

Go on an adventure and interact with anything that strikes your curiousity. Collect items and learn more about the history of the uncharted island you have arrived to.

Dialogue and Quests

Talk to the villagers and find out how you can soothe their worries and problems. Maybe something good awaits you at the end of a quest and you'll learn more about what it was like to be human.

Magic Spells

Collect and use enchanting spells to progress on your way. Try to wield them to overcome obstacles and find alluring hidden areas, which are yet to discover.
