

## Workshop - Teaching in English - July 2019

**Teaching in English:**

Monday 15th - Tuesday 16th July 2019, approx. 10:00 -17:00

**Lecturer:** Mr. Charles Duquette (University of Maryland)

**Location:** Hochschule der Medien, Main Building, Room 204

**Participants:** the workshops are open to professors and academics from all universities and faculties and suitable for participants with intermediate – advanced English skills (B2-C1)

**Content:** This seminar provides participants with a context for teaching in English, along with key language skills for the classroom, including signposting language, ways of emphasizing and highlighting, as well as language to describe processes and visual representations of data. Attention will be given to pronunciation features that affect clarity of delivery, including stress, rhythm and intercultural factors.

**Goal:** Participants will gain greater confidence in teaching in English, along with practical techniques to create active learning environments for their students.

**Way of working:** Theoretical input, small team-work, presentations and collegial exchange

**Deadline for application:** 15<sup>th</sup> June per email to [sprachenzentrum@hdm-stuttgart.de](mailto:sprachenzentrum@hdm-stuttgart.de)
